3. School Onboarding Checklist

Use this checklist when onboarding a new school. Follow each step to ensure a smooth setup process.

Day 1: Registration & Setup

Step	Task	Status	Notes
1	School registers on skulhub.co.ke (6-step wizard)	☐	School gets a school code (e.g., SKH-2026-003)
2	Send welcome email with login instructions	☐	Use email template #4 from docs/email-templates.md
3	Call the school to confirm they logged in	☐	Verify they can access the dashboard
4	Configure school settings (name, motto, colors)	☐	Settings > General tab
5	Set up academic year and term dates	☐	Settings > Academic tab
6	Create class levels and streams	☐	Academics > Class Levels
7	Add subjects and assign to departments	☐	Academics > Subjects
8	Set up fee structure for each class level	☐	Finance > Fee Structure

Day 2-3: Data Migration

Step	Task	Status	Notes
9	Import existing student data (CSV)	☐	Data Import > Upload CSV
10	Import existing staff data	☐	Staff > Add Staff (or CSV import)
11	Set up guardian/parent contacts	☐	Students > Edit > Guardian tab
12	Generate invoices for current term	☐	Finance > Generate Invoices (bulk)
13	Record any existing payments	☐	Finance > Record Payment
14	Set up timetable (weekly schedule)	☐	Timetable > Add Lessons

Step	Task	Status	Notes
15	Configure M-Pesa Daraja (if Premium)	☐	Settings > M-Pesa tab

Day 4-7: Training & Adoption

Step	Task	Status	Notes
16	Conduct staff training session (1 hour)	☐	Cover: login, dashboard, attendance, grades
17	Train bursar on invoice/payment workflow	☐	Cover: generate invoice, record payment, print receipt
18	Train teachers on attendance + homework	☐	Cover: mark attendance, create homework, enter grades
19	Set up staff accounts and module access	☐	Settings > Module Access > Tick modules per user
20	Share parent portal info with parents	☐	Send school code + instructions via WhatsApp/SMS
21	Publish first announcement	☐	Communications > New Announcement
22	Test M-Pesa Daraja STK Push (if Premium)	☐	Finance > Test STK Push with small amount
23	Verify data accuracy (spot check 5 students)	☐	Compare with school's existing records

Day 14: First Check-in

Step	Task	Status	Notes
24	Call school to check for issues	☐	Any login problems? Any questions?
25	Review usage stats (dashboard activity)	☐	How many invoices generated? Attendance marked?
26	Suggest features they haven't tried	☐	Library, transport, health, events, discipline

Step	Task	Status	Notes
27	Offer additional training if needed	☐	Free for first session

Day 25: Trial Conversion

Step	Task	Status	Notes
28	Send trial-ending reminder email	☐	Use email template #5 from docs/email-templates.md
29	Call to discuss plan selection	☐	Recommend plan based on student count
30	Process first payment (M-Pesa/Bank)	☐	Update subscription status in Super Admin
31	Generate subscription invoice	☐	Send to school via email
32	Confirm subscription is active	☐	Super Admin > Schools > Activate

Common Issues & Solutions

Issue	Solution
Can't log in	Check: correct school code, correct email, password is case-sensitive. Try: admin@skulhub.ac.ke / admin123
Dashboard shows 0 students	Run: bun run prisma/seed-demo.ts to load demo data. Or add students manually.
M-Pesa STK Push not working	Go to Settings > M-Pesa, enter Daraja credentials (Consumer Key, Secret, Passkey, Shortcode). See Daraja Guide tab.
Staff can't see modules	Go to Settings > Module Access, select the user, tick the modules they need.
Can't print invoices	Click the printer icon on any invoice row. Opens a new window with school letterhead.
Connection error	System auto-retries 3 times. If persistent, wait 30 seconds and refresh.
Dark mode not working	Click the sun/moon icon in the nav bar (top-right corner).
Super admin access	Press Ctrl+Shift+A on login screen. Access code: skulhub-super-2026
